

# Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

## DIAN-TU-002 Primary Prevention

The DIAN-TU acknowledges the many individuals who have contributed to the DIAN-TU Trials including funding partners, leadership team, core leaders, project arm leaders, study sites and institutional study partners listed in the following pages.

<b>DIAN-TU Leadership</b>
Randall Bateman, MD, Director and Principal Investigator Washington University School of Medicine
Eric McDade, DO, Co-Director Washington University School of Medicine
Charlene Supnet-Bell, PhD, Associate Executive Director Washington University School of Medicine
David Clifford, MD, Associate Director and Medical Director Washington University School of Medicine
Jorge Llibre-Guerra, MD, MSc, Assistant Medical Director Washington University School of Medicine

<b>DIAN-TU Project Arm Leader</b>
Anton Porsteinsson, MD, Professor of Psychiatry, Neurology, Neuroscience, and Medicine, Director, Alzheimer’s Disease Care, Research and Education Program University of Rochester School of Medicine and Dentistry

<b>Eli Lilly</b>		

# Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

## DIAN-TU Core Leaders

Randall Bateman, MD, Administrative Core Leader  
Washington University School of Medicine

Tammie Benzinger, MD, PhD, Imaging Core Leader  
Washington University School of Medicine

Brian Gordon, PhD, Imaging Co-Core Leader  
Washington University School of Medicine

Alan Renton, PhD, Genetics Core Leader  
Ronald M. Loeb Center for Alzheimer's Disease

Carlos Cruchaga, PhD, Genetics Core Co-Leader  
Washington University School of Medicine

Laura Ibanez, PhD, MS, Biomarker Core Leader  
Washington University School of Medicine

Jason Hasenstab, PhD, Cognition Core Leader  
Washington University School of Medicine

Rick Perrin, MD, Neuropathology Core Leader  
Washington University School of Medicine

Chengjie Xiong, PhD, Biostatistics Core Leader  
Washington University School of Medicine

Guoqiao Wang, PhD, Biostatistics Co-Core Leader  
Washington University School of Medicine

Yan Li, PhD, Biostatistics Co-Core Leader  
Washington University School of Medicine

## DIAN-TU Faculty and Staff

Jennifer Beatty, Administrative Coordinator Administration	Elizabeth Cook, Administrative Coordinator, Administration	Ron Hawley, IT Audiovisual and Interactive Web Designer, Administration
Jacki Mallmann, Research Administrator Administration	Anna Santacruz, Operations Program Leader, Administration	Jeanette Schillizzi, Research Administrator Administration
Amber Stueve, Administrative Coordinator, Administration	Tom Carril, Contracts Assistant, Finance	Karen McCann, Senior Accounting Coordinator, Finance
Julie Murphy, Senior Department Accounting Assistant, Finance	Melissa Nies, Accounting & Purchasing Assistant, Finance	Wendy Simpson, Contract Specialist, Finance
Shannon Sweeney, Manager Financial Operations, Finance	Bryce Baker, Research Technician, Biomarker Core	Aleksandra Beric, Postdoc Research Associate, Biomarker Core
Gina Jerome, Staff Scientist, Biomarker Core	Matthew Minton, Staff Scientist, Biomarker Core	Sam Preminger, Clinical Research Specialist Biomarker Core
Jennifer Stauber, Clinical Research Specialist, Biomarker Core	Yuchen Cao, Statistical Data Analyst, Biostatistics Core	Daniel Yen, Statistical Data Analyst, Biostatistics Core
Silvy Alexander, Assistant Director Clinical Pharma Research, Clinical Operations	Elise Andrews, Manager Clinical Trials, Clinical Operations	Nathan Angeloff, Senior Manager Clinical Pharma Research Programs, Clinical Operations
Stephanie Belyew, Associate Director Research Clinical Trials Operations, Clinical Operations	Jessia Bur, Clinical Research Specialist Clinical Operations	Dana Burgdorf, Clinical Research Coordinator, Clinical Operations
Rachel Carrow, Clinical Research Coordinator, Clinical Operations	Kristen Ferguson, Clinical Research Specialist, Clinical Operations	Angela Fuqua, Senior Manager Clinical Pharma Research Programs, Clinical Operations

# Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

## DIAN-TU Faculty and Staff Continued

Ellen Gruebbeling, Clinical Research Coordinator, Clinical Operations Research Programs, Clinical Operations	Erica Hart, Senior Clinical Research Coordinator, Clinical Operations	Erica Hart, Senior Clinical Research Coordinator, Clinical Operations
Miranda Jany, Clinical Research Coordinator Clinical Operations	Michelle Jorke, Clinical Research Coordinator, Clinical Operations	Bridgette King, Associate Director Clinical Data Management, Clinical Operations
Tayona Mayhew, Clinical Data Manager, Clinical Operations	Inbal Meshulam, Manager Clinical Trials, Clinical Operations	Susan Mills, Director Clinical Operations, Clinical Operations
Dominique Morrison, Specialist Clinical Data Management, Clinical Operations	Jeanine Portell, Manager Clinical Trials, Clinical Operations	Maisoon Qassem, Senior Clinical Research Coordinator, Clinical Operations
Nisha Rao, Senior Clinical Research Coordinator, Clinical Operations	Elizabeth Sawicki, Senior Manager Clinical Pharma Research Programs, Clinical Operations	Annette Stiebel, Senior Manager Clinical Pharma Research Programs, Clinical Operations
Andrew Aschenbrenner, Assistant Professor, Cognition Core	Sarah Stout, Manager Clinical Trials, Cognition Core	Jennifer Sullivan, Manager Clinical Trials, Cognition Core
Leslie Symonds, Clinical Research Coordinator, Cognition Core	John Budde, Laboratory Manager, Genetics Core	Jonathan Heusel, Chief Medical Officer Genomics and Pathology, Genetics Core
Rohan Agrawal, Imaging Analyst, Imaging Core	Shafiq Alsayed Allaham, Clinical Research Coordinator, Imaging Core	Charles Chen, Predoctoral Trainee, Imaging Core
Gengsheng Chen, Senior Scientist, Imaging Core	Alicia Craycroft, Senior Clinical Research Coordinator, Imaging Core	Stephanie Doering, Postdoc Research Associate, Imaging Core
Kaitlyn Dombrowski, Imaging Analyst, Imaging Core	Shaney Flores, Research Assistant, Imaging Core	David Hoagey, Imaging Analyst, Imaging Core
Diana Hobbs, Neuroimaging Engineer, Imaging Core	Russ Hornbeck, Director Information Systems, Imaging Core	Kelley Jackson, Manager Clinical Trials, Imaging Core

# Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

## DIAN-TU Faculty and Staff Continued

Stephen Jarman, Research Lab Manager, Imaging Core	Meng Jian, Imaging Analyst, Imaging Core	Nelly Joseph-Mathurin, Instructor of Radiology, Imaging Core
Sarah Keefe, Research Assistant, Imaging Core	Deborah Koudelis, Regulatory Support and Compliance Manager, Imaging Core	Parinaz Massoumzadeh, Senior Scientist, Imaging Core
Austin McCullough, Postdoc Research Associate, Imaging Core	Nicole McKay, Instructor of Neurology, Imaging Core	Arash Nazeri, Imaging Analyst, Imaging Core
Joyce Nicklaus, Manager Clinical Trials, Imaging Core	Aakash Patel, Imaging Analyst, Imaging Core	Christine Pulizos, Project Manager, Imaging Core
Farzaneh Rahmani, Imaging Analyst, Imaging Core	Jacqueline Rizzo, Research Technician, Imaging Core	Edita Sabaredzovic, Clinical Research Coordinator, Imaging Core
Jalen Scott, Research Technician, Imaging Core	Hope Shimony, Imaging Analyst, Imaging Core	Ashlee Simmons, Research Technician, Imaging Core
Thomas (Hunter) Smith, Research Technician, Imaging Core	Qing Wang, Assistant Professor of Radiology, Imaging Core	Yong Wang, Imaging Analyst, Imaging Core
Erin Franklin, Associate Director Clinical Research, Neuropathology Core		

## DIAN-TU Expanded Registry

Eric McDade, Director	Randall Bateman, Associate Director	Jorge Llibre-Guerra, Associate Director
Jamie Bartzel, Clinical Research Coordinator	Alison Hageman, Clinical Research Specialist	Karina Skrbec, Clinical Research Specialist
Ellen Ziegemeier, Clinical Research Specialist

## Performance Sites

### United States

Washington University School of Medicine Joy Snider, Principal Investigator Gabriella Schmidt-Grimminger, Study Coordinator	Emory University James Lah, Principal Investigator Courtney Willaims, Study Coordinator
University of Pittsburg Sarah Berman, Principal Investigator Sarah Bowser, Study Coordinator	University of Alabama Erik Roberson, Principal Investigator Amber Watkins, Study Coordinator
Indiana University Jared Brosh, Principal Investigator Arlene Kohn, Study Coordinator	Butler Hospital Edward Huey, Principal Investigator Courtney Bodge, Study Coordinator
UPR Medical Sciences Campus Puerto Rico Ivonne Jimenez-Velazquez, Principal Investigator Karen Aleman, Study Coordinator	Yale University School of Medicine Christopher van Dyck, Principal Investigator Emma Cooper, Study Coordinator
UCSD Shirley-Marcos Alzheimer's Disease Research Center Douglas Galasko, Principal Investigator Sharon Desario, Study Coordinator	University of Washington Suman Jayadev, Principal Investigator Sarah Taylor, Study Coordinator
Advocate Lutheran General Hospital Darren Gitelman, Principal Investigator Louis Daniel, Study Coordinator	USC Keck School of Medicine Sonia Pawluczyk, Principal Investigator Mauricio Becerra, Study Coordinator
Kerwin Research Center and Memory Care Diana Kerwin, Principal Investigator Jordan Caldwell, Study Coordinator	New York University Medical Center Thomas Wisniewski, Principal Investigator Brittany Marti, Study Coordinator

### Argentina

Instituto de Investigaciones Neurológicas Raul Carrea (Fleni) Ricardo Allegri, Principal Investigator Anabella Haase, Study Coordinator
---

### Australia

Neuroscience Research Australia	University of Melbourne
