

Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

DIAN-TU 003: ART Study Team

The DIAN-TU acknowledges the many individuals who have contributed to the DIAN-TU Trials including funding partners, leadership team, core leaders, project arm leaders, study sites and institutional study partners listed in the following pages.

DIAN-TU Leadership
Randall Bateman, MD, Director and Principal Investigator Washington University School of Medicine
Eric McDade, DO, Co-Director Washington University School of Medicine
Charlene Supnet-Bell, PhD, Associate Executive Director Washington University School of Medicine
David Clifford, MD, Associate Director and Medical Director Washington University School of Medicine
Jorge Llibre-Guerra, MD, MSc, Assistant Medical Director Washington University School of Medicine

DIAN-TU Project Arm Leader
Alireza Atri, MD, PhD, Director Banner Sun Health Research Institute

Eisai		
Michael Irizarry, MD, MPH	Shobha Dhadda, PhD	Larisa Reyderman, PhD
Kristin Wildsmith, PhD	Jin Zhou	Arnaud Charil, PhD
John Petrara, DBA	David Li	Connie Lorenz, RN, CCRP
Lynn Krammer, PhD	Amanda Goodwin	Steven Hersch, MD, PhD

Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

DIAN-TU Core Leaders
Randall Bateman, MD, Administrative Core Leader Washington University School of Medicine
Tammie Benzinger, MD, PhD, Imaging Core Leader Washington University School of Medicine
Brian Gordon, PhD, Imaging Co-Core Leader Washington University School of Medicine
Alan Renton, PhD, Genetics Core Leader Ronald M. Loeb Center for Alzheimer's Disease
Carlos Cruchaga, PhD, Genetics Core Co-Leader Washington University School of Medicine
Laura Ibanez, PhD, MS, Biomarker Core Leader Washington University School of Medicine
Jason Hasenstab, PhD, Cognition Core Leader Washington University School of Medicine
Rick Perrin, MD, Neuropathology Core Leader Washington University School of Medicine
Chengjie Xiong, PhD, Biostatistics Core Leader Washington University School of Medicine
Guoqiao Wang, PhD, Biostatistics Co-Core Leader Washington University School of Medicine
Yan Li, PhD, Biostatistics Co-Core Leader Washington University School of Medicine

Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

DIAN-TU Faculty and Staff

Jennifer Beatty, Administrative Coordinator, Administration	Elizabeth Cook, Administrative Coordinator, Administration	Ron Hawley, IT Audiovisual and Interactive Web Designer, Administration
Jacki Mallmann, Research Administrator Administration	Tracy Meier Administrative Coordinator, Administration	Anna Santacruz, Operations Program Leader, Administration
Jeanette Schillizzi, Research Administrator, Administration	Amber Stueve, Administrative Coordinator, Administration	Tom Carril, Contracts Assistant, Finance
Karen McCann, Senior Accounting Coordinator, Finance	Julie Murphy, Senior Department Accounting Assistant, Finance	Melissa Nies, Accounting & Purchasing Assistant, Finance
Wendy Simpson, Contract Specialist, Finance	Shannon Sweeney, Manager Financial Operations, Finance	Bryce Baker, Research Technician, Biomarker Core
Aleksandra Beric, Postdoc Research Associate, Biomarker Core	Gina Jerome, Staff Scientist, Biomarker Core	Matthew Minton, Staff Scientist, Biomarker Core
Sam Preminger, Clinical Research Specialist Biomarker Core	Jennifer Stauber, Clinical Research Specialist, Biomarker Core	Yuchen Cao, Statistical Data Analyst, Biostatistics Core
Janice Chang, Statistical Data Analyst, Biostatistics Core	Bill Knight, Senior Project Manager, Biostatistics Core	Daniel Yen, Statistical Data Analyst, Biostatistics Core
Silvy Alexander, Assistant Director Clinical Pharma Research, Clinical Operations	Elise Andrews, Manager Clinical Trials, Clinical Operations	Nathan Angeloff, Senior Manager Clinical Pharma Research Programs, Clinical Operations
Stephanie Belyew, Associate Director Research Clinical Trials Operations, Clinical Operations	Jessia Bur, Clinical Research Specialist Clinical Operations	Dana Burgdorf, Clinical Research Coordinator, Clinical Operations
Rachel Carrow, Clinical Research Coordinator, Clinical Operations	Kristen Ferguson, Clinical Research Specialist, Clinical Operations	Angela Fuqua, Senior Manager Clinical Pharma Research Programs, Clinical Operations

Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

DIAN-TU Faculty and Staff Continued

Ellen Gruebbeling, Clinical Research Coordinator, Clinical Operations	Erica Hart, Senior Clinical Research Coordinator, Clinical Operations	Miranda Jany, Clinical Research Coordinator Clinical Operations
Michelle Jorke, Clinical Research Coordinator, Clinical Operations	Bridgette King, Associate Director Clinical Data Management, Clinical Operations	Tayona Mayhew, Clinical Data Manager, Clinical Operations
Inbal Meshulam, Manager Clinical Trials, Clinical Operations	Susan Mills, Director Clinical Operations, Clinical Operations	Dominique Morrison, Specialist Clinical Data Management, Clinical Operations
Jeanine Portell, Manager Clinical Trials, Clinical Operations	Maisoon Qassem, Senior Clinical Research Coordinator, Clinical Operations	Nisha Rao, Senior Clinical Research Coordinator, Clinical Operations
Elizabeth Sawicki, Senior Manager Clinical Pharma Research Programs, Clinical Operations	Annette Stiebel, Senior Manager Clinical Pharma Research Programs, Clinical Operations	Andrew Aschenbrenner, Assistant Professor, Cognition Core
Sarah Stout, Manager Clinical Trials, Cognition Core	Jennifer Sullivan, Manager Clinical Trials, Cognition Core	Leslie Symonds, Clinical Research Coordinator, Cognition Core
John Budde, Laboratory Manager, Genetics Core	Jonathan Heusel, Chief Medical Officer Genomics and Pathology, Genetics Core	Rohan Agrawal, Imaging Analyst, Imaging Core
Shafiq Alsayed Allaham, Clinical Research Coordinator, Imaging Core	Charles Chen, Predoctoral Trainee, Imaging Core	Gengsheng Chen, Senior Scientist, Imaging Core
Alicia Craycroft, Senior Clinical Research Coordinator, Imaging Core	Stephanie Doering, Postdoc Research Associate, Imaging Core	Kaitlyn Dombrowski, Imaging Analyst, Imaging Core
Shaney Flores, Research Assistant, Imaging Core	David Hoagey, Imaging Analyst, Imaging Core	Diana Hobbs, Neuroimaging Engineer, Imaging Core
Russ Hornbeck, Director Information Systems, Imaging Core	Kelley Jackson, Manager Clinical Trials, Imaging Core	Stephen Jarman, Research Lab Manager, Imaging Core

Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

DIAN-TU Faculty and Staff Continued

Meng Jian, Imaging Analyst, Imaging Core	Nelly Joseph-Mathurin, Instructor of Radiology, Imaging Core	Sarah Keefe, Research Assistant, Imaging Core
Deborah Koudelis, Regulatory Support and Compliance Manager, Imaging Core	Parinaz Massoumzadeh, Senior Scientist, Imaging Core	Austin McCullough, Postdoc Research Associate, Imaging Core
Nicole McKay, Instructor of Neurology, Imaging Core	Arash Nazeri, Imaging Analyst, Imaging Core	Joyce Nicklaus, Manager Clinical Trials, Imaging Core
Aakash Patel, Imaging Analyst, Imaging Core	Christine Pulizos, Project Manager, Imaging Core	Farzaneh Rahmani, Imaging Analyst, Imaging Core
Jacqueline Rizzo, Research Technician, Imaging Core	Edita Sabaredzovic, Clinical Research Coordinator, Imaging Core	Jalen Scott, Research Technician, Imaging Core
Hope Shimony, Imaging Analyst, Imaging Core	Ashlee Simmons, Research Technician, Imaging Core	Thomas (Hunter) Smith, Research Technician, Imaging Core
Qing Wang, Assistant Professor of Radiology, Imaging Core	Yong Wang, Imaging Analyst, Imaging Core	Erin Franklin, Associate Director Clinical Research, Neuropathology Core

DIAN-TU Expanded Registry

Eric McDade, Director	Randall Bateman, Associate Director	Jorge Llibre-Guerra, Associate Director
Jamie Bartzel, Clinical Research Coordinator	Alison Hageman, Clinical Research Specialist	Karina Skrbec, Clinical Research Specialist
Ellen Ziegemeier, Clinical Research Specialist		

Dominantly Inherited Alzheimer Network Trials Unit (DIAN-TU)

Performance Sites

United States

Washington University School of Medicine Joy Snider, Principal Investigator Gabriella Schmidt-Grimminger, Study Coordinator	University of Alabama Erik Roberson, Principal Investigator Amber Watkins, Study Coordinator
Indiana University Jared Brosh, Principal Investigator Arlene Kohn, Study Coordinator	University of Washington Suman Jayadev, Principal Investigator Sarah Taylor, Study Coordinator

Australia

Neuroscience Research Australia Emma Devenney, Principal Investigator David Foxe, Study Coordinator

France

CHU de Rouen- Hopital Charles Nicolle David Wallon, Principal Investigator Veronique Hannier, Study Coordinator

United Kingdom

The National Hospital for Neurology & Neurosurgery Catherine Mummery, Principal Investigator Jane Douglas, Study Coordinator
